## “What Women Want”— An Expo with Giveaways

One year ago, the Women In Business planning committee put their heads together and conceived an idea for an expo that would showcase businesses and offer a valuable event for women in the community. The name was chosen – “What Women Want” Expo – and this gathering was held at the Holiday Inn.

People waited in line to enter the Expo, a very ‘pink’ event, filled with giveaways for attendees. The atmosphere was electric and energy-filled.

Once again, planning has been completed and applications processed. With a few openings left, this year’s “What Women Want” Expo will be held on Thursday, September 25<sup>th</sup>, 2008 in the ballroom at the Holiday Inn Hotel & Suites. The time has been adjusted to accommodate lunchtime visitors as well as those who stop by after work – 11:00am to 7:00pm.

Why should anyone come to the “What Women Want” Expo? This affair is all about WOMEN – it’s about chocolate ... shopping ... pampering ... awareness ... inspiration. Preparing to kick-off Breast Cancer Awareness month in October, this late

September event will show evidence of PINK in abundance.

Those wishing to be an exhibitor must be chamber members and must support the theme. Standard booth charge is \$100 but there are opportunities for those who cannot be in attendance. The first 250 attendees will receive a pink cloth bag and members can provide either a flyer (\$25 fee) or an item (no additional fee) donated to be included in those bags.

Sponsors for this year’s Expo are: **Adventist GlenOaks Hospital, Bartel’s Auto Clinic, DuPage Professional Women’s Network, Inches-A-Weigh, Mystery Shop, and State Farm/Randy Weissenhofer.**

Of course we hope all will stop by and see what it’s all about on September 25<sup>th</sup>.

Giveaways and freebies will be aplenty! Attendance is \$5 but there are many \$2 off coupons. Stop by the chamber office to pick up some postcard coupons so you can spread the word about this phenomenal event. A portion of the proceeds will be donated to the American Cancer Society.

Dear Chamber Members,

Summer vacation time is past and the Carol Stream Chamber is in full swing starting with a very busy September. We will provide a program worth your while at the September 10th luncheon. Steve Black is a highly sought after Brian Tracy trainer who will help you learn how to get an extra two hours out of each work day, goal setting skills, qualifying potential customers and more.

A Multi-chamber Networking Extravaganza may be just what you need to increase your valuable contacts and help grow your business. Held late afternoon September 10th at the SRC at COD/Glen Ellyn, **twenty-two chambers** are invited to this networking so you want to be sure to have plenty of business cards with you.

Speaking of After Hours, this fall we will travel to Starbucks (September 18), to a new member, Jameson’s Charhouse (October 16) and Brian’s Charhouse (November 20).

A Multi-chamber Progressive Luncheon on October 8th at Glendale Lakes Golf Club will bring members of Itasca, Addison, Bloomingdale and Glendale Heights chambers together with us .

The “What Women Want” Expo generated a lot of excitement last year and we are looking forward to Year Two on Thursday, September 25th. We listened to feedback and shifted the hours to include ‘after work’ time, in addition to lunchtime hours. Tell a friend, or a woman you care about — she will thank you!

Something new this year is the Fall Job Fair. Held in conjunction with the Holiday Inn and Total Staffing, this event will be helpful to the community and local businesses alike. With the talk of tough economic times, it’s good to have an opportunity to connect the two to be beneficial to both.

The Chamber is here to help you build your business! When you attend our events, you have an opportunity to meet other members and visitors, expanding your circle of contacts and forging new business relationships. Business follows! We thank you for your membership and hope to see you at many of our gatherings this fall!

Luanne Triolo, Executive Director

## 6th Annual Oktoberfest Sponsors Needed

Corporate event sponsors are needed to help the community host the 6<sup>th</sup> Annual Oktoberfest celebration scheduled for Sat., September 27<sup>th</sup> at the Ferraro Town Center. Sponsorship support is needed for decorations, entertainment, supplies and event publicity/promotion. Proceeds from Oktoberfest beer sales will

go to support local Rotary Club charities. Children’s entertainer Dave Fleming, a comedic magician, juggler and balloon sculptor will perform in the early afternoon. Entertainment will include an afternoon performance by the Jazz Reunion Orchestra at 3:00 pm and a 3-set evening performance by the event headliner, the renowned

Bavarian band - The Alpiners. Sponsors are cordially invited to help Mayor Saverino and the Village Board tap the official Oktoberfest keg at 5:30 pm. For sponsorship program details, phone the Mayor’s Office at (630) 871-6250 or by e-mail to [fsaverino@carolstream.org](mailto:fsaverino@carolstream.org)

## Chamber Week— Shop Chamber Businesses

Illinois Governor Rod Blagojevich has proclaimed September 8 through September 12, 2008 as Chamber of Commerce Week throughout Illinois. The Carol Stream Chamber has joined the Illinois Association of Chamber of Commerce Executives (IACCE) and the Illinois Chamber of Commerce in celebrating this special recognition of the contributions chambers of commerce make to Illinois civic and economic life.

In his Proclamation, Governor Blagojevich declared, "Chambers of Commerce have contributed to the civic and economic life in Illinois for 170 years, since the Galena Chamber of Commerce was founded in 1838. Chambers of commerce encourage the growth of existing industries, services, and commercial firms and encourage new businesses and individuals to locate in Illinois." There are currently

more than 456 Chambers of Commerce in the United States.

The Carol Stream Chamber will celebrate Chamber Week by encouraging chamber members and the community to visit and use fellow members' businesses. Members are asked to take a moment and look at the online list of companies (under MEMBER SEARCH on [www.carolstreamchamber.com](http://www.carolstreamchamber.com)) and make a concerted effort to switch to one or more members' businesses during Chamber Week. Blue "Chamber Bucks," included in the newsletter, can be taken, with business card attached, to members during this week to let them know they were 'shopped' by a fellow member.

In addition, the monthly luncheon on September 10<sup>th</sup> will feature a speaker, Steven Black, on time management, goal setting, order closing and other important business-

strengthening ideas for all to benefit from. Black is a trainer for Brian Tracy, who will be speaking in Rosemont later that week. Held at the Holiday Inn from 11:30 to 1:00, the September luncheon is yet another benefit of chamber membership. RSVP is necessary.

In the late afternoon on the 10<sup>th</sup> will be a Networking Extravaganza with 22 chambers gathering at College of DuPage/Glen Ellyn for an extra special After Hours. Beginning at 4:30 and going until 7:00pm, this mega-event promises to be a valuable networking experience for members only. A business card **is necessary** to gain entrance – bring a huge stack of them!

So map out your course for September 8<sup>th</sup> through 12<sup>th</sup> and set sail for destinations that will help business grow in and around Carol Stream.

## Networking at Its Best — Aboard a Cruise Ship

**Question:** Which is better—the weather in Chicago in February or the weather in the Caribbean?

**Answer:** The Caribbean! If you are wondering why we would ask such a question then perhaps you have not heard about the

1st annual Carol Stream Chamber cruise on February 21st. This 5 day "Fun in the Sun Networking Cruise 2009" aboard Royal Caribbean's Grandeur of the Seas will take us to Belize and Costa Maya. Thirty-three have already signed up. For more info

and ALL the details, check out [www.RileyGroups.net](http://www.RileyGroups.net) or call Judy Riley from CruiseOne at (630) 614-4492. You could have 5 days without scheduling, planning, cooking, cleaning or dishwashing! How does THAT sound to you?

**NEW RSVP Policy** - There is a new Luncheon Policy beginning July 11, 2008 which requires attendees to pre-register for all chamber luncheons, regular monthly luncheons as well as Women In Business luncheons. When you pre-register, we are better able to plan with the restaurants we are dealing with for the right amount of meals. Pre-registration (RSVP) must be done 3 business days prior (Friday noon for a Wednesday luncheon) and walk-ins will not be able to be accommodated. Cost for member lunch will be \$25 and non-members are \$30 pre-paid. Cancellation and no-shows will be charged \$25. Payment will be expected in advance or at the door; no invoicing available. We do appreciate your consideration and cooperation on this new policy. Please call Luanne Triolo if you have any further questions on this matter (630) 665-3325.

## 2008 Golf Outing Scored Well

Sunshine, warm weather, no rain, manicured greens, good partners, fabulous food, refreshing drinks, great prizes. What more can a golfer ask for at a golf outing? The annual Chamber "Golf Classic" proved to be just what the golfers needed on a sunny summer day at Klein Creek Golf Club.

At a time when many golf outings are experiencing low attendance, the event this year

drew 156 golfers, ready for a day of socializing, networking and golf. Starting with registration and a delicious buffet lunch in the cool, temperature-controlled tent at Klein Creek, golfers proceeded to their noon shotgun start as they navigated their carts to their starting hole. As they maneuvered through the course, they ran across specialty holes – Longest Drive, Closest to the Pin, etc. – drink holes and sponsor holes. Some of our

members greeted them as they approached and offered them a bottle of water, personalized golf towel, golf balls and more.

At the end of their eighteen holes, it was back to the cool tent for a cocktail hour, dinner and raffles. Thunderstorm included. There were many items of interest including gift certificates to local restaurants for the winning ticket holder.

"The annual Chamber "Golf Classic" proved to be just what the golfers needed on a sunny summer day."
