## "Shop the Chamber" During Chamber Week

All across Illinois chambers of commerce will be observing "Chamber Week" September 14 through 18th. Business professionals will celebrate their membership in an organization that has quite a history...and a future.

Here in the Carol Stream Chamber, we encourage all to "Shop the Chamber" and are arming you with the tools with which to do that — Blue Chamber Bucks.

We feel it is vital that our

members connect with their fellow associates in the chamber in order to grow both businesses. Striving to start new relationships and to grow existing ones lays good groundwork on which business builds.

What can You do? How can You be a part of Chamber Week in and around Carol Stream?

In this newsletter and on the chamber website, we will 'arm' you with "Chamber Bucks" — a blue certificate, that, in and of itself has no monetary value, but is invaluable while 'shopping' the chamber.

Members can take their business cards and affix them on the back, patronize a member business and share a

'Buck' with them, so they know you shopped them because they are a part of the Carol Stream Chamber.

It's a crucial time for all to turn to their local business partners and give them a boost — they may do the same for you someday. Just knowing that you care to support them, goes a long way!

### THE FACTS:

- ◆ First IL Chamber: Galena founded in 1838
- ◆ Illinois Chamber celebrates 90 years

Dear Chamber Members,

I don’t know that Summer was what we had hoped for but Fall is upon us. This is usually the time that we see everyone returning from vacations and college trips and attendance at luncheons increase. Just like students beginning a new school year, business professionals forge ahead with a renewed spirit in the Fall.

The upcoming luncheons include speakers on goals and management, as well as two networking events. The October 14th multi-chamber progressive luncheon will afford attendees the opportunity to introduce their business to members of four other chambers. The November 11th luncheon is “Accelerated Networking” and in this slightly extended lunchtime, attendees will learn to fashion a 30-second ‘elevator speech’ and put it right into action with 30 to 40 others, **one-on-one**. It’s an event we have held before and we’ve been told it offers great value. One member benefitted by getting four new clients at that luncheon alone!

Along with Business After Hours at Klein Creek and Boutique Necessities Salon & Spa by DEJ, the chamber will offer a New Member/Prospective Member orientation and the Women’s Expo in September. The Women In Business luncheon in November will be a gathering of many networking groups and men are always invited.

Whether you’re a new member or a seasoned one, we encourage you to **CELEBRATE CHAMBER WEEK** September 14th through 18th by grabbing the blue Chamber Bucks in this newsletter, attaching your business card to the back and visit fellow chamber businesses. Make it clear that you support member companies; they will understand when they find the blue bucks with your card attached. Take a look through the directory or on the website and see what our chamber is comprised of — individuals, teams, staff dedicated and professional in their work.

Finally, on September 11th, the Town Center will be the location of a commemorative ceremony at 8:30am honoring fire and police personnel who perished 9/11/2001. The event will include an Honor Guard, tolling of the bell and drum and bagpipes. All are welcome.

It’s a new season. Remember the delight of a fresh box of crayons. Renew your networking efforts; start fresh this Fall.

Luanne Triolo, Executive Director

# 3rd Annual WIB Expo September 23rd

What does a tuxedo, a pink bowling ball and nail polish have in common? They are all things you will find at this year's "What Women Want" Expo on September 23rd at the Holiday Inn.

More than forty exhibitors will fill the Stratford ballroom at this, the 3rd annual expo. Open to the public, the event will highlight the theme of 'chocolate, shopping, pampering, inspiration, awareness.' October is Breast Cancer Awareness month and this is the perfect lead-in to it. A portion of the proceeds from this very 'pink' occasion will be donated to the American Cancer Society. Members are invited to visit and network with their fellow chamber associates as well as shop and be pampered.

The committee and the chamber office have distributed thousands of coupons for \$2 off the \$5 admission price. Additional coupons can be found on the chamber website. The first 250 attendees will be treated to

a free goody bag — pink, of course— filled with items of interest, as well as information from some of our members. If you want to be a flyer sponsor, deliver 250 flyers and a \$25 check to the chamber office before September 18th. Goody bag items are also welcomed before that date.

Women's health is a recurring theme in a number of booths. There will also be multiple opportunities to shop.

Our exhibitors will be: Accounting Network, Inc., Adventist GlenOaks Hospital, American Cancer Society, Bathfitter, BeNB Gift Baskets, Borter Heating & Air Conditioning, Brunswick Zone Carol Stream, Carol Stream Park District, ChiroOne Wellness Center, CNS Home Health & Hospice, ComForcare Home Care, Community Auto Body, Inc., Costco Wholesale, CruiseOne - The Riley Team, Ducat Chiropractic &

## Lucky Polka Dot Progressive Luncheon on Friday the 13th

Try your luck at the Multi-chamber Women In Business Luncheon on November 13th and you will find a room full of serious networkers.

Members of Women's groups from: Addison, Bartlett, Bloomingdale, Carol Stream, Warrenville, and St. Charles chambers, as well as the Dynamic Professional Women's

Network will get together for this Progressive Luncheon with a 'polka dot' theme. Why the dots? We will throw dice to determine which table to move to and dice have dots. Some will wear polka dots to get into the theme. It may be your lucky day on this Friday the 13th! We are collecting new or gently used paperbacks, children and adults for our philanthropy at this event.

The event will be at the Holiday Inn/ Carol Stream and will cost \$25/ members and \$30/visitors. RSVP before November 8th.

## TopGolf Outing — Somewhere New to Network

It is possible for you to hit a golf ball out onto a driving range and that little white ball will report back to you how far it went and where you stand on the leader board.

You will have the chance to use this technology at our TopGolf Outing on Thursday, October 22nd from 6:00 to 9:00pm. Attendees will receive two games of TopGolf,

appetizers, dinner, dessert, three hours of open bar and networking for a price of \$75 each. Want to put your name on a sign at the event? Sponsorships are available for \$100. It will be an interesting and enjoyable evening of golf, socializing, and networking with a raffle thrown in.

Register with your business associates and do so before October 1st. Check out the bright green flyer in this newsletter envelope for a map and photo of the location.

Don't miss this event!

## Business-Community Directories Have Been Delivered to 15,000

Every other year the chamber puts together a Business-Community Directory with contact information of all chamber members. Village and community data is included so that residents are provided a valuable publication to use as a resource.

This year 20,000 directories were printed and delivered to 15,000 homes in Carol Stream. The additional 5,000 will be distributed through the library, village hall and chamber office, as well as our local businesses.

We appreciate the cooperation of Vaughan, Thain and Spencer on this collaborative project.

## Do YOU Believe?

By Mark Papadas

How many of you reading this truly believe the value that you and your product/service deliver?

I've found that most salespeople lack the confidence in themselves and the conviction in their belief to truly become successful. By their own actions, they commoditize themselves and what they are selling. They limit their own opportunities for success and wonder why they never get the "big deal". Maybe, it's because they don't ask for it!

There are three things that EVERY salesperson must do to be successful:

● **Truly value yourself or what you are selling.** If you don't believe in yourself, why should your customer? If you think your product or service is no different from everyone else, so will your customers. Your customers are waiting to be WOW'd. Don't disappoint them! Believe in yourself and what you're selling. If they challenge you, prove to them that you're worth the time, energy and money. You are worth whatever you can get your customers to agree to.

Value does not always mean money, but it is always related. While value can be a sense of security or confidence that you will deliver as promised, it is usually given a dollar figure. That dollar figure is often represented as the price of your product or service. If you bring a customer a price that is on the low end of the market, what kind of value do you think your customers will associate with you and your product/service?

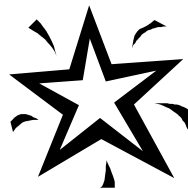

● **Understand that a good sale is mutually beneficial to both the buyer and the seller.** After you have consummated a sale, if you've done your job properly, the customer should thank you for selling him/her your product or service. The best in our business, get our customers to knowingly pay MORE than our competitors charge and still thank us. We are able to do that because we believe in ourselves and we have filled our client's logical and psychological needs so fully that they WANT to PAY MORE to deal with us. Isn't that where you want to be in your business?

● **You should never enter into a sale/deal you are not prepared to walk away from at any time.** You have no business going into a deal that you cannot walk away from at the last minute without regrets. If you can't afford to walk away, it will show. You will have lost all objectivity. You have ceased solving the customer's problems and begun focusing on your own. Once that happens, the customer will probably walk away first anyway. In addition, you have also lost all negotiating power. If you can't afford to walk away, you'll make all kinds of concessions just to make the deal. What should be a mutually beneficial transaction has just become one-sided...and it's not in your favor.

As always, I'm passionately committed to your success!

## Chamber Video Update

The Chamber is continuing to work with Lambert Smith from Stone Cliff Productions to offer members a chance to 'elevate their message' by capturing their business in a 90 second video. This production will be on the chamber website for one year, working 24/7 for you while you are productive elsewhere. Already on-board with this project

are Exersio Custom Websites, Stone Cliff Productions, Mary Kay/Carol Cozzi Johnson, Bartel's Auto Clinic, Mapleberry Pancake House, Ivy, CNS Home Health & Hospice, Holiday Inn Hotel & Suites, and Carol Stream Chamber of Commerce. Videos can be viewed by visiting [carolstreamchamber.com](http://carolstreamchamber.com) This

cutting-edge opportunity is offered at a discount rate of \$195. For an additional \$250, members can also have the video for their own website, on a DVD for presentations or to post on YouTube or other social marketing sites. Call the office today to sign up for your chance to 'shine' in a chamber video.

**Chamber Luncheon/RSVP Policy** - The Luncheon/RSVP Policy began July 11, 2008 and requires attendees to pre-register for all chamber luncheons, regular monthly luncheons as well as Women In Business luncheons. When you pre-register, we are better able to plan with the restaurants we are dealing with for the right amount of meals. Pre-registration (RSVP) must be done 3 business days prior (Friday noon for a Wednesday luncheon) and walk-ins will not be able to be accommodated. Some luncheons require earlier response. Cost for member lunch will be \$25 and non-members are \$30 pre-paid. Cancellation and no-shows will be charged \$25. Payment will be expected in advance or at the door; no invoicing available. We do appreciate your consideration and cooperation on this policy. Please call Luanne Triolo if you have any further questions on this matter (630) 665-3325.

Congratulations to Jim Hudmon of Barn Owl who won a free round of golf for the 2010 Golf "Classic" in the drawing from the Early Bird registrants. Way to go, Jim!!
