

Carol Stream Chamber Women In Business "What Women Want" Expo

As a Chamber member, you are invited to apply to be an exhibitor at this special 5th Annual Women In Business Expo. The Expo will be a juried event, with exhibitors who will support the theme of "pampering, shopping, chocolate and inspiring women". Attendees will be residents from the community, as well as business and chamber professionals. This is a great opportunity to be in front of the community with your business. This event will kick-off October as "Breast Cancer Awareness Month" and a portion of the proceeds will benefit the American Cancer Society.
