## Tee-Up at the Annual Golf “Classic”

Typically, it’s a hot day at the end of July. Golfers of all levels appear —those who have never gripped a golf club and those who golf shoes have tread on the best of our nation’s courses. But all of them have the same agenda, which is to enjoy a day at a well-manicured golf club while supporting the Chamber.

This year the annual Golf Outing “Classic” will return to Klein Creek Golf Club in Winfield on Tuesday, July 24<sup>th</sup>. Registration starts at 10:30 AM and lunch begins at 11:00 AM, as golfers arrive with their bags full of clubs and extra balls —not that they will *need* them. At noon *sharp* the shotgun start will be the beginning of an afternoon of socializing, thirst quenching beverages, and, in some instances, even some great golf.

Coming off the course, golfers have an hour to unwind from 5:30—6:30 PM as the Cocktail Hour begins (?) and the dinner and awards get going at 6:30 PM. Our friends at Klein Creek put on a great ‘spread’ and no one will go home hungry!

This event is the 'biggest and best' fundraiser for our Chamber for the entire year -- it's what keeps us up and runnin'! *We need you!* Hole sponsorships and raffle prizes are the greatest need at this time - we hope we can count on you. It's an opportunity to get your business name out there. Items for the Raffle or amenity bags can be dropped at the Chamber office or someone from the Chamber can pick them up. We would like to have them in by July 22nd. Not a golfer? We need volunteers for the following shifts: 8:30-10:15, 10:30-12, 11:45-5:30, 2-5, 5:30-6:30, & 7-8

Visit the chamber website for a list of sponsors, as we add to the list each day. We appreciate your participation and support and hope you will plan to come out for the Golf Outing — even if you aren’t a golfer, join us for dinner.

## “Dine Away Hunger”

Plan on eating out on June 20 to help fight against hunger in DuPage County. As part of the PRC’s “Dine Away Hunger” fundraising program, local restaurants have pledged 10% of their sales on the 20<sup>th</sup> of June to benefit the PRC’s food market, the largest countywide food pantry in DuPage County.

The program, which began in 2003, operates simply: Diners eat at participating restaurants on the designated day and the restaurants donate 10% of their sales for the day to the PRC Food Market. Diners need not present any forms or coupons for participation. Charter One Bank in Carol Stream is sponsoring this event.

Each month, PRC’s food market serves approximately 1,700 low-income DuPage County families. They also offer families access to clothing, housing assistance, literacy classes, computer training, art enrichment, holiday help and other programs to help them overcome poverty. All programs at the PRC are offered free of charge, thanks to the generosity of community supporters. More information is available at [www.peoplesrc.org](http://www.peoplesrc.org).

## From the Desk of the Executive Director

Dear Chamber Members,

The hot weather is here, school is out, festivals are beginning but chamber events know no 'summer hiatus'. We continue to provide you with networking events to help build your business throughout the summer months.

Do you have an hour and a half once a month you can give me? Well, don't do it for me, do it in the name of advertising your business and come to a chamber lunch this summer. Schedule us in your calendar now and take advantage of our gatherings in June, July and August. June will be a regular luncheon with a speaker, but July will be a multi-chamber event with our Illinois chamber President Doug Whitley addressing us. We hear positive feedback on our multi-chamber events, and we hope the July luncheon will be valuable as you, not only hear current legislation and events, but also mingle with members of the Addison, Wheaton, Bartlett, and St. Charles Chambers. It wouldn't be August without our annual "Pitch Your Business" baseball-themed extravaganza. Plan ahead and you may be the Winning 'Pitcher' as everyone has 45 seconds to 'pitch' to all in attendance. Be creative and it will be memorable for all.

What special events are coming up, you ask? The ever-popular Golf "Classic" will be held on July 24<sup>th</sup> at Klein Creek. This is one of the major fundraisers of the chamber and also an important venue to sponsor a hole, volunteer, donate a raffle item, or golf to get your business name out there. Please look over the information and participate in one way or another. It's what summer is all about.

We truly treasure you, our members, as so many responded so quickly to the renewals that went out. We will continue to make the greatest effort to promote chamber businesses. In addition to Nan Gudenkauf, our office manager, we have been fortunate to have added an office assistant in Jen Zak. The three of us are committed to encourage everyone to "Shop The Chamber!"

## Third Annual Luau Promises Big Opportunities

By **The Big Kahuna**

TROPICAL ISLANDS -- **Aloha my  
Midwestern friends,**

The time has come again to visit you from the big island and enjoy an evening of celebration with the finest businesses anywhere. exclusively for us from **4:30 to 7 PM.**

My friends, last year nearly 700 chamber members joined us for the second annual **Multi-Chamber Luau** and this year, I am told that a wonderful live Jazz group featuring Robin Watson will add even more atmosphere to the event...and again this pleases me.

I would like to thank you all for making my visit so happy and a special thanks to the sponsors

that supported their fellow members by helping with the cost, so that no chamber member needed to pay to attend.

I will stay in touch with you but ask that you communicate your desire to attend by contacting the Carol Stream Chamber office so that they can include you in the list of attendees. I look forward to seeing you at the third annual multi-chamber Luau. Aloha and Mahalo,

*Big Kahuna*

## Five Chamber Scholarships Awarded

The Carol Stream Chamber of Commerce in conjunction with Dollars For Scholars® has awarded \$2,500 in scholarships for the 2007-2008 school year.

Recipients are Carol Stream residents, Samantha Knoll, Kelleen Ney and Jenna Zak, who are Glenbard North Students and Ashley Conway and Lindsay Krage from Community High School in West Chicago.

Scholarship applicants had to be Carol Stream residents who were

planning to attend an institution of higher learning: a 4 year college or university, a 2 year community college, or a professional trade school.

Dollars For Scholars®, a program of Scholarship America<sup>SM</sup>, is a nonprofit volunteer organization that provides local graduating seniors with financial assistance to help them pursue higher education.

The Carol Stream Chamber of

Commerce applauds all applicants and congratulates these fine award recipients, wishing them success in the future.

The Chamber thanks Scholarship Chair John W. Wheeler, Jr./Oak Brook Financial Solutions, John Gul /Fresh & Silk Flowers and Jim Hodgdon/The HBC Group for their assistance on this project.

## Annual "Pitch Your Business" Luncheon is On Deck

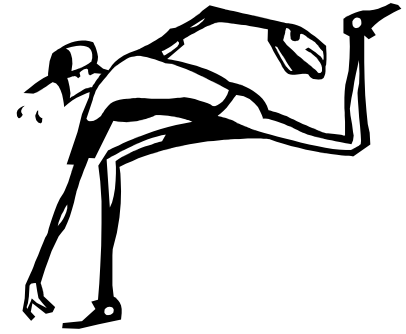

They say 'it's all in the delivery' — well Carol Stream Chamber members can deliver their pitch at our August luncheon and it is sure to be memorable.

On August 8th, we are expecting some very memorable moments as members have 45 seconds to present and represent their business. How do I do that, you ask? Would **you** remember someone was in the restaurant business if they came in dressed as a giant hot dog? Be creative but don't be intimidated if you are on the shy side; the Chamber office will be happy to give you ideas or you can pitch your business in the traditional way. you can deliver the pitch in the traditional, no-nonsense way, yes, but if you turned on the creativity and make it very memorable, it would be a way of being sure no one would

forget you!

This special event has a definite summertime baseball theme. Coming up to the plate for registration, you'll receive tickets for your seat. Are you in the Bleachers, Press Box or Box Seats? You will proceed to 1st base where you will drop your business cards and 2nd base is where you pick up your boxed lunch. The 3rd base area is where you will tell all about your company. As in baseball, you end up at home plate where you pick up everyone's business card tucked into a nice cardholder. It's a great way to score big time in the game of networking. Mark your calendar and start planning your line-up for this unusual but valuable networking luncheon!

Note that this is an expanded

11:30-1:30pm luncheon at the Holiday Inn and it will require you to RSVP ahead of time so we in the chamber office can plan the final line-up. There will be, once again, an All-star Pitching Ballot so you can vote for your favorite fellow-chamber Pitcher. Visitors are invited but only Chamber members can 'pitch'. Don't forget, you will need to bring 100 business cards. You won't go home empty-handed. And it's possible that **everyone** will remember exactly what **you** do!

## Illinois Chamber President to Speak at July Luncheon

*On Wednesday, July 11, members of the Carol Stream, Wheaton, St. Charles and Bartlett chamber will gather for a luncheon where Illinois Chamber President Doug Whitley will speak. This event will be held at the Holiday Inn, Carol Stream.*

### How the Illinois Chamber Benefits Local Chambers of Commerce

*By Doug Whitley, IL Chamber Pres.*

The Illinois Chamber's primary mission is to advocate on behalf of business interests with state government. Our government affairs staff is experienced at lobbying the Illinois General Assembly and interacting with State agencies.

The Chamber is an excellent source of information. In addition to personal contact with Chamber staff members, the organization's content rich web page offers a wealth of information. The Chamber distributes timely emails about events, legislative developments and grassroots campaigns. There are also special reports dedicated to legislation, tax issues, employment law, healthcare and economic development. The end of session

legislative roll call analysis is particularly useful for those who wish to judge and hold elected officials accountable for their business voting record.

The Chamber's staff monitors, tracks, testifies, lobbies and reports on the thousands of legislative proposals that are introduced in the Illinois General Assembly every session. The Chamber serves as the "eyes, ears and voice" for many members who do not have the capability to represent themselves on a daily basis at the Capitol. Many members look to the Illinois Chamber's legislative staff to be their "early warning system" and look upon the Chamber's staff as political consultants to offer guidance and advice in regards to public policy matters that concern their business.

The Illinois Chamber has worked with the Illinois Association of Chamber of Commerce Executives to host an annual legislative summit to develop a common legislative agenda that each local chamber may choose to adopt. Besides getting chamber leaders from all across the state focused on the same common issues a key result is presenting a united front

by community opinion leaders to the state's political leaders and members of the Illinois General Assembly. The legislative summit is an excellent forum for both education and issue development.

We are eager to collaborate with local chambers to co-host legislative report and general business issue forums. To be truly effective in the political arena, business people need to engage in the process by not only being familiar with the issues but also promoting voter participation among employees and writing checks to help fund the campaigns of pro-business candidates. Most local chambers of commerce do not operate a Political Action Committee, but the Illinois Chamber does.

The Illinois Chamber and its many programs and resources will work for you and with you to make your local chamber of commerce a success.

**Doug Whitley**  
**President & CEO**  
**Illinois Chamber of Commerce**
