

Steps for a Great Member Video Production

- 1. Sign a Chamber-Member Video Contract, present payment and decide to have the video just on the chamber website or to also own it for your own use in perpetuity.**
- 2. Write a not-to-exceed 90 second script to market your company's products and services.**
- 3. Obtain up to five digital images that augment your message. Images are not required. Images can be the entire video and will have some movement of pan and scan during the voice over of the script.**
- 4. Send up to three images at a time to www.StoneCliffProductions.com/Contact.htm by right clicking the Upload Files rectangle.**

- 5. Type information into the appropriate locations and browse for the location of the files you want to be used. Highlight the file name to enter the transport connection.**

- 6. Right click Submit rectangle.**
- 7. Email Lambert@StoneCliffProductions.com or call 630-510-8001 to assist in the script and placement of the images within the video.**
- 8. Show up on time at the correct place for your video appointment**
- 9. Send potential clients and customers to your website. Use your website as a cost effective marketing tool.**
