

Manufacturing and Industrial Round Table

Mission Statement: The mission of the Manufacturing and Industrial Round Table is to bring business leaders together to partner, collaborate and problem solve on common challenges.

Manufacturing and Industrial Round Table Philosophy:

Our philosophy is that by working in partnership and collaboration we are able to solve challenges to ensure the economic viability and stability of members.

How do I join?

Joining the Manufacturing and Industrial Round Table is open only to those members of the Carol Stream Chamber of Commerce who are manufacturers and logistics companies. As a manufacturer or logistics company you automatically have a seat at the table.

How often does the Round Table meet?

Beginning in January 2023 the Round Table will be meeting quarterly.

Our first meeting is Thursday, January 26, 2023

Time: 8:30am – 9:30am

Venue: Global E Parcel Solutions, 845 Carol Court, Carol Stream
