

HECTOR'S CAR WASH & DETAIL, INC.

848 W. Army Trail Road

Carol Stream, IL 60188

Quality Service at a great price!

We are seeking a full-time individual to join our team.

Characteristics we seek:

The ideal candidate must be a go getter. We want someone who is willing to learn, be coachable and have integrity. This person must have initiative, must be punctual and take his/her position seriously within the company. Must also have a minimum of a High School diploma or equivalent.

This person would work different areas of the business as he/she would be cross trained to work different departments. The ideal candidate must have strong customer service and communication skills. Some experience in car washing or detailing is preferred, however, training will be provided for the right person.

Hector's Car Wash & Detail, Inc. is a small family-owned business that started during the pandemic in August 2020. On October 1, 2021, we moved into our current location renting the detail bay and the waiting area, to welcome clients. On October 1, 2022, we expanded by taking over the entire facility of roughly 2800 sq. ft.

We are proud members of the Carol Stream & Bloomingdale Chambers of Commerce. In 2022, we were the business of the Month of May with the Carol Stream Chamber, and we were also awarded the Best of Bloomingdale Award in Cleaning Services by the community. This January, we began 2023 by receiving accreditation from the Better Business Bureau.

Our social media presence is strong, and our reviews are exceptional. We will continue to grow and expand our offerings and we want the candidate to see this as an opportunity to grow with a great company.

Compensation:

We offer an hourly wage, O/T pay, plus tips. The first two weeks is a probationary period to ensure we are a good fit for each other. After 90 days, we would do a review and determine if the hourly rate would be increased based on performance.

One week vacation after a year of employment.

For immediate consideration, call to schedule your interview at 630-234-6421.
